Attorneys for Traffic Marketplace, Inc.

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

In re

General Motors Corp., *et al.*,

Debtors.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**LIMITED OBJECTION OF TRAFFIC MARKETPLACE, INC. TO DEBTORS' NOTICE
OF INTENT TO ASSUME AND ASSIGN CERTAIN EXECUTORY CONTRACTS,
UNEXPIRED LEASES OF PERSONAL PROPERTY, AND UNEXPIRED LEASES OF
NONRESIDENTIAL PROPERTY**

Traffic Marketplace, Inc. ("TM"), by and through its undersigned counsel, for its objection (the "Cure Objection") to the proposed cure amount ("Cure Amount") listed on Debtors' Contract Notices website (the "Website") pursuant to this Court's Sale Procedures Order and paragraph A of the Assumption and Assignment Notice respectfully represents:

1. On June 1, 2009 (the "Petition Date"), the Debtors filed their voluntary petition for relief in this Court under Chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code").

2. Prior to the Petition Date, TM entered into various contracts, purchase orders, and agreements whereby TM would provide goods and services in exchange for timely payments of same by Debtors (collectively, the "Contracts").

3. Pursuant to the Sale Procedures Order, the Debtors delivered its Assumption and Assignment Notice dated June 5, 2009 which included instructions to access the Website on which TM could view a listing of those executory contracts Debtors may seek to assume and assign in connection with the sale of substantially all of their assets, and by their calculations, any corresponding proposed Cure Amount in connection with such contract or leases.

4. At the time this Cure Objection was filed, the Website identified TM as a entity whose Contracts the Debtors will assume, but did not list a Cure Amount for those Contracts.

5. TM does not object to the assumption and assignment of its Contracts *per se* and has begun, or is prepared to begin, its efforts to reach a consensual resolution of the Cure Amount with Debtors. However, as the Cure Amount has not yet been resolved, TM, for purposes of preserving its objection rights as to the proposed Cure Amount, makes this Cure Objection pursuant to paragraph 8 of the Assumption and Assignment Notice.

Limited Objection to Proposed Cure Amount

6. TM objects to the lack of a Cure Amount listed on the Website at the time this Cure Objection was filed as it does not fully cure and compensate TM for Debtors' default(s). It appears that the Cure Amount was absent, not that it was listed as \$0, and, as such, TM needs to

object in order to understand what the Cure Amount is. According to TM's books and records, the correct Cure Amount for those Contracts listed on the Website is approximately \$880,382.59.

7. TM reserves its right to amend or supplement this objection if, for example, Debtors seek to assume and assign additional Contracts after the Objection Deadline or if there are additional Cure Amounts relating to defaults under the Contracts that occur or continue to occur after the Petition Date. Further, by filing this Cure Objection, except to the extent governed by a Trade Agreement executed prior to the Objection Deadline, TM does not waive any other rights, claims, or interests it has or may have under the Contracts as provided by the Contracts or as a matter of non-bankruptcy law, all of which are expressly preserved.

WHEREFORE, TM respectfully requests that the Court (a) condition any assumption and assignment of the Contracts on (i) the payment in full for all outstanding amount(s) due to TM under the Contracts in compliance with section 365 of the Bankruptcy Code and (ii) compliance with any other applicable law and (b) grant such other and further relief as the Court deems just and proper.
